NOTICE OF ANNUAL GENERAL MEETING

The Club's Annual General Meeting will be held on 13 September. It is open to all club members, and their families so please come along and vote for the officers and committee members managing your club. If you would like to join the committee, it is a great way to get more involved in our community-based club with very little time commitment required. Key club officer positions include **free membership** so give something back to your club and help to shape the way your club is run!

We would love to see as many members/parents as possible at our AGM on Saturday 13 September, 3-4pm. Come along and have a say on how your club is run!

If you are unable to attend the meeting but would like to vote on any of the agenda items, you may register a proxy vote with the secretary at secretary@papanuitochathletics.org.nz any time up to 2 hours before the scheduled start of the meeting.

Anyone with an interest in putting themselves forward for any of the positions up for election can contact either the secretary (secretary@papanuitochathletics.org.nz) or the president (president@papanuitochathletics.org.nz) for further information, or feel free to just turn up and put your name forward at the AGM.

Each member is entitled to one vote on each issue, with members aged 16 and above able to vote on their own behalf, and a parent able to exercise votes on behalf of members under the age of 16.

Any members and/or their Parents & Guardians are able speak at the AGM.

Time & Place

The Annual General Meeting for the Papanui Toc H Athletics Club is to be held on 13 August at 3pm at the clubrooms in Papanui High School grounds with access off Langdon's Road. All members and their families are welcome!

AGM Items of Business

Meeting to Open

3:00pm

1. Welcome
2. Apologies
3. Approval of Minutes of the 2024 AGM
4. President's Report
5. Financial Report & Approval of Annual Accounts
6. Setting of Subscriptions for the 2026/27 Season

Subscriptions 2025/2026	Papanui Toc H				Centre	ANZ	Total
	Club Fee	Facility Levy	Winter Race Fees	Total			
< 7	35			35	20	11	66
7 – 14 Summer & Winter	45	30	20	95	20	37	152
7 – 14 Summer only	45	30		75	20	37	132
15-19 Summer & Winter	50	30	35	115	30	53	198
15-19 Summer only	50	30		80	30	53	163
20+ Summer & Winter	50	30	45	125	40	69	234

PRESIDENT'S REPORT

It is my pleasure to again present the annual report as Papanui Toc H President for the 24/25 year. The club has continued to perform well and has seen a continuation of growth in our numbers, driven largely by the ongoing strength of the junior club.

Membership

It would be ideal to report otherwise, however, the transition from the junior to senior club remains a challenge. It was hoped that with new initiatives from central bodies, such as the inaugural hosting of a Launch Athletics event at Nga Puna Wai, more of our junior athletes would remain engaged in the sport under the support and guidance of well-known local senior athletes. We look forward to supporting further initiatives of our local and national athletics bodies to change the statistics in this area.

Coaching

We remain very fortunate to have an incredibly well respected and knowledgeable group of coaches supporting both our junior and senior squads. It is commendable and speaks to the values of our club, that they share their skills and support with athletes from all over the region (and beyond). A very sincere thank you to everyone who offers up their time to support our athletes, including those coordinating, we really would not have a club without you.

Administration and Track Updates

The number of volunteer hours that go into administration and planning for our club, to ensure all our members have a positive experience, would floor most people and certainly does not go unnoticed by myself and the wider committee. This year, in particular, this could not be more true.

We are unbelievably proud to have, this year, reopened the Buzz Jones All Weather Track, a project that has been long anticipated but always seemed slightly out of reach. No words will capture the sheer grit and determination that this has taken from the committee and other committed volunteers, a huge thanks goes out to each and every one of them. This is a facility that we are very privileged to have and we will be relying on all our members to protect this asset for the years to come. Please indulge me as I include the list of thank you's from the opening speech earlier this year:

Does anyone think they might know how much this cost to replace our track? Well, it was nearly \$400,000 which is an awful lot of money to raise which is why I am sure you'll all agree it is worth spending a few minutes thanking those people that have made this possible.

Before I begin the list of thank yous, I do acknowledge that I may inadvertently miss someone off the list. Please know that this is truly not intentional, we are so very grateful for absolutely everyone's support.

I would like to first start with the two gentlemen up here with me.

- *Buzz, the name behind the Buzz Jones All Weather Track - not only was he involved in the original track project but he continues to contribute to the club in too many ways to mention, including with this replacement (which by the way would have cost A LOT more if there wasn't a track here to begin with), writing to members past and present, running raffles, selling honey, donating prizes for quiz night and the raffles, the list goes on.*
- *Tim (Macioce)- without you this project simply would not have started! Tim was the one who came to me with the first lead for a possible grant application and he hasn't stopped since, creating and following up leads, chasing quotes, liaising with contractors and the school, attending meetings and finding solutions to roadblocks as we encountered them. I cannot even begin to explain how amazing it was to have someone like Tim in our corner through this.*

We have been very fortunate to have successful applications for grants from the following providers:

Kiwi Gaming Foundation, Christchurch City Council Capital Endowment Fund, New Zealand Community Trust, Pub Charity, Air Rescue Trust

And also, a special thanks to Athletics Canterbury for their support in our endeavours for grant applications

We also had a number of businesses and individuals donate significant items for our Quiz night

Grow Landscape, who have not only donated for prizes but also significant time and resource to multiple fundraising activities and significant grounds improvements, Barrelcraft, MTF Finance, Quarry Café, Pak n Save Hornby, Shoe Clinic, Kate Helem who provided many bottles for the prizes, PTOC families who donated for the hampers

A mention also goes to Jo Irvine, for her support of the quiz night and Grant Application for the Toc H fund.

Kirsten for coordinating our cookies and croissants fundraiser and to each and every person who has supported the efforts along the way - I'm sure our neighbourhood got to know Isla and Grace well as they trudged the streets selling chocolates every opportunity they could.

These activities meant we could achieve the dream and since that time we have been very grateful to Nathan Tahi for his project management of the contractors (well beyond my expertise for sure!) and other families, including some already mentioned above, who have spent hours down here checking lines, further improving our facilities and looping in support from other services, such as ReadyMix who loaned them some equipment needed - a thank you goes to the Hurrings and Rattrays for this.

To Henry Blakely Landscaping, many thanks for committing to rental of the temporary fencing until we can implement a permanent solution to protect this amazing asset.

Papanui High School have been an amazing partner, allowing us the opportunities we have here, and we are very grateful for their support as we faced delays meaning this work was undertaken during term time.

To the committee, thank you for the support in believing that we could get there - an amazing bunch of volunteers who made this happen, especially Mark for keeping the finance side under control.

Athletes, if you look around you, you will see a whole bunch of people who worked incredibly hard to bring this to life - can anyone tell me how many of them do you think will ever use this track? The answer is likely, not a single one. How cool is that - these people have put all of this work in for YOU! If there is one thing that I'd love you to take away from this (besides of course treating the track with respect and preserving it for years to come), is that there truly is reward in doing things for others, not just for yourself. My family joined Papanui Toc H because of friendships and the family-oriented nature of the club. This track resurface project has reminded me of the values of our club and I hope you take this with you into the future.

Our work is not done, we still have some funds to raise to replenish the club funds, get a permanent fence and look at security options, as well as all of the other things we would like to invest in for you, no matter what events you love. Please get behind us, many hands make light work.

Please support the committee in their efforts as we strive for the finish line - raising the last funds needed for permanent fencing and security cameras to protect our investment.

This year the committee have also implemented new technology to track results and reduce the administrative burden along with other initiatives such as new uniform design. I cannot reinforce how lucky we are to have such a passionate and committed bunch of volunteer parents and coaches on the committee. We are always in need of more help, so if you fancy a supportive environment where you can make a difference, please consider joining.

As we head towards another new season, I do want to highlight again the family-friendly environment that our club strives towards. We always intend to continue our proud tradition of creating a safe environment, where all athletes can thrive and feel they belong. Success is not limited to a placing at an event or indeed compared to anyone else - as they say, "comparison is the thief of joy". We are known for the contribution we make to support the events, always pitching in when something is required, let's continue this tradition and ensure that our sport is sustainable for our athletes.

Finally, I would like to thank our committee, officials, coaches and all our volunteers (including our parents) who so freely give their time to ensure the smooth running of our club. It would literally be impossible without you all and I see how much you all put in, despite already busy lives. Thank you.

Vanessa Buchan

President

JUNIOR CLUB CAPTAINS REPORT

The junior section had another successful and enjoyable year. We welcomed many new athletes and their families to the PTOC community with 210 members. We all watched excitedly as the old track was removed and bit by bit the new track started appearing. This resulted in some disruption to club nights, but we adapted, knowing that this would be a short-term problem with a fabulous treat at the end. That came in the form of being able to hold our Club Championships on the brand-new track.

We are grateful to the club for investing in a new website manager and Club Manager program. This has allowed us to be more agile with website content with the ability to share results from club nights and display PBs to encourage and reward personal improvements. It has also aided the logistics of organising event sheets each club night and selecting relay teams.

Colgate Games

A small team of 8 athletes and their families started the new year at the North Island Colgate Games in Hastings. They came home with 5 medals and a relay medal in the Girls 13 grade with a composite team of 11 - 13 year olds.

With a hometown South Island Colgate Games we had a large team of 100 athletes who ran, jumped and threw their way around Nga Puna Wai. This was the first Colgate Games experience for many, and they enjoyed the chance to meet Olympians along the way such as Hamish Kerr. The medal tally was 52 individual medals including 24 gold along with 9 relay medals—the best performance of any club. As a result, Papanui Toc H was awarded the Jeanette Vivian trophy for the most successful Canterbury club.

Saturday Interclub

This year we had a record number of athletes registered to compete at Saturday Interclub events. Numbers are strong across all of the age groups other than the 7 year olds. It is important that we keep attracting new kids to the sport and our club. It was pleasing to see so many happy faces, friendships with other clubs and sportsmanship on display. There were many wonderful performances over the season including two new Canterbury

records for Lily Dunne in the 100m (12.48) and the 60m (8.07) with this record having stood since 1979! Our parents and families led the way with providing starts, officials and marshals for events which was noted by Canterbury Childrens and Athletics Canterbury.

Canterbury Championships

These were held a week earlier which shortened the season. This didn't stop our large team of 82 athletes performing to their best. There were numerous personal records, 27 Canterbury Champions and 52 additional top 3 placegetters. We had an impressive group of relay runners with 8 winning teams and 4 other teams placing 2nd or 3rd. This team effort resulted in Papanui Toc H winning the D Buchanan Trophy for Overall Relay Points for the second consecutive year. The season was topped off by the club being awarded the McKinstry Trophy for the top club at the Canterbury Champs - a feat not achieved for 10 years.

This year we had several Overall Age Group winners, showing how bright the future of our athletes is including a clean sweep in the girls 12.

Yuki de Joux	3 rd =	Girls 8
Sakura Stephenson	1 st	Girls 9
Amelia O'Connell	3 rd	Girls 10
Cali McKinlay	3 rd =	Girls 11
Madison Bovendeerd	1 st	Girls 12
Zoe Hurring	2 nd	Girls 12
Sophia Price	3 rd	Girls 12
Lucy Gredig	1 st	Girls 13
Robbie Tahī	3 rd	Boys 14

Club Records

An outstanding 17 Club records were broken this season with the sprinters and middle distance runners featuring this year.

Girls 9 100m	Sakura Stephenson	14.96
Girls 9 200m	Sakura Stephenson	32.12
Girls 10 60m	Charlotte Robertson	9.02
Girls 10 200m	Charlotte Robertson	30.45
Boys 10 400m	Joshua Kreft	68.38
Boys 10 800m	Joshua Kreft	2.34.19
Boys 10 1500m	Joshua Kreft	5.07.49
Girls 12 60m	Zoe Hurring	8.42
Girls 12 Discus	Annabelle Smallman	33.82
Girls 12 Shot Put	Annabelle Smallman	10.89
Girls 13 60m	Lily Dunne	8.07
Girls 13 100m	Lily Dunne	12.48
Girls 13 400m	Lily Dunne	58.72
Girls 13 800m	Lily Dunne	2.18.18
Girls 14 2000m RW	Annabelle Grant	18.57.42
Boys 14 100m	Robie Tahī	11.39
Boys 14 400m	Robbie Tahī	53.73

SENIOR CLUB CAPTAIN'S REPORT

An enthusiastic group of Senior Papanui ToCH athletes competed with distinction during the road/harriers and summer track seasons. At 31 registrations, the numbers were comparable with recent years, with the 11 in the MU18 classification being close to the largest of the Athletics Canterbury non-Senior age groups.

As in previous years, a pleasing number of Club 13- and 14-years Juniors competed occasionally on Saturday afternoons during the track and field season. This experience has proven to be especially valuable in keeping young people involved in athletics after their Junior years.

Eleven Club athletes reached the podium in their events at the Athletics NZ championships in Dunedin, while an equally impressive number medalled at the South Island and National secondary schools' championships.

The line-up of Club-affiliated Senior coaches has grown during the past year, and are now able to offer training in all disciplines apart from javelin and hammer.

CROSS COUNTRY AND ROAD REPORT

This year we had a well organised team of parents managing the race entries and co-ordinating training sessions. We were once again very grateful to Graeme Christey for volunteering his time and expertise. This year he was ably supported by Craig Stephenson, especially on Sunday morning long runs - a staple for any cross-country runner. Trainings were well attended and it was great to see ongoing friendships among our junior runners.

Papanui Toc H athletes received the following placings:

Canterbury Cross Country Championships

- B10 Jonty Walker (1st), Cameron Robertson (2nd)
- G12 Charlotte Dunne (2nd), Charlotte Robertson (3rd)
- B12 Joshua Kreft (2nd)
- G16 Tayla Cox (1st)
- M20 Pai Wynyard (2nd)

Canterbury Road Champs

- B10 Jonty Walker (1st), Cameron Robertson (2nd)
- G12 Charlotte Dunne (2nd), Charlotte Robertson (3rd)
- B12 Joshua Kreft (3rd)
- G16 Tayla Cox (1st)
- M20 Pai Wynyard (1st)

And a special mention to Pai Wynyard who competed in the National Cross Country and came in 6th Under 20 man and followed that up by winning the National 10 km road event in Timaru - two stellar performances

FINANCIAL REPORT

The following Management Report summarises the Club's activities. As per last year the accounts have not been audited as they are prepared by a Chartered Accountant.

Overall, there is an Operating Profit Before Depreciation of \$7,645 compared to \$11,545 in the previous year. Main points:

It was another solid year for the club, subscriptions were strong, Strong junior numbers are driving the stability. Expenses were up slightly with the new website; we also spent some money on the Discus Circle and equipment.

The Club raised \$349,609 for the track replacement which cost \$400,119 with the balance coming out of club funds.

Balance Sheet remains stable & strong and we had sufficient cash in the bank at Balance Date and Still \$30,000 in term Savings.

Mark O'Reilly,

Treasurer
